Proclamation

Recognizing October 2022 as Hill Country Night Sky Month in Comal County

WHEREAS, the aesthetic beauty and wonder of star-filled skies are the heritage of all humankind and locally to the inhabitants of Comal County and are therefore worthy of celebration; and

WHEREAS, the experience of standing beneath a star-filled night sky inspires feelings of wonder and awe, and may encourage interest in science and nature especially among young people; and

WHEREAS, the opportunity to view star-filled skies attracts tourists to our region and therefore economic benefit to Comal County; and

WHEREAS, preserving the rich historic heritage and starry night skies of Comal County is important to its residents; and

WHEREAS, “light pollution,” which is wasted light that performs no function or task and artificial light that goes where it is not supposed to go, is created by glare, light trespass, sky glow, and overlighting; and

WHEREAS, light pollution wastes natural resources amounting to at least \$2 billion per year and contributes to diminished American energy independence; and

WHEREAS, the historical view of the night skies has been eroding in many nearby areas and generations are growing up with limited, if any, view of the wonders of the universe; and

WHEREAS, the influx of people into the Texas Hill Country region and the accompanying light pollution from area lighting fixtures has been steadily on the rise; and

WHEREAS, solving the problem of light pollution involves making better use of outdoor lighting to direct light down to where it is needed instead of upward into the sky, putting outdoor lights on timers and using outdoor lighting only where necessary; and

WHEREAS, Hill Country communities are increasingly dedicated to the preservation of the region’s night skies, as evidenced by the frequent educational activities conducted in our region; and

WHEREAS, this regional effort and the preservation and celebration of our night skies is worthy of a month long celebration.

NOW, THEREFORE, BE IT PROCLAIMED that the Comal County Commissioners Court, duly convened and acting in its capacity as the governing body of Comal County, hereby recognizes October 2022 as Hill Country Night Sky Month in Comal County, and urges citizens to participate in the Comal County and Hill Country regional events and programs celebrating the night sky and promoting the ways in which communities are working to preserve it.

PASSED AND APPROVED on this the 13th day of October, 2022.

Sherman Krause, County Judge
